

**Frame Relay Service  
Customer Network Management  
Implementation Agreement**

**FRF.6.1**

**Frame Relay Forum Technical Committee  
September 2002**

**Note:** The user's attention is called to the possibility that implementation of the frame relay implementation agreement contained herein may require the use of inventions covered by patent rights held by third parties. By publication of this frame relay implementation agreement, the Frame Relay Forum makes no representation that the implementation of the specification will not infringe on any third party rights. The Frame Relay Forum take no position with respect to any claim that has been or may be asserted by any third party, the validity of any patent rights related to any such claims, or the extent to which a license to use any such rights may not be available.
