

COVERING NOTE

GENERAL SECRETARIAT INTERNATIONAL TELECOMMUNICATION UNION

Subject: INFORMATION NOTE

Geneva, June 1999

Recommendation ITU-T Q.954 (03/93)

TELECOMMUNICATION
STANDARDIZATION SECTOR
OF ITU

ITU-T Recommendation Q.954 (03/93)

Stage 3 description for multiparty supplementary services using DSS 1

Clause 1 – Conference calling
Clause 2 – Three-party service

This covering note is to warn readers that the version of ITU-T Q.954.2 (03/93) contained in the volume ITU-T Q.954 (03/93) is "obsolete", superseded by ITU-T Q.954.2 (10/95). Only ITU-T Q.954.1 (03/93) remains in force.

ITU-T Q.954.2 (03/93) was originally published with ITU-T Q.954.1 (03/93) in the same volume named ITU-T Q.954 (03/93). ITU-T Q.954.2 (10/95) was subsequently published separately.

To correct this situation, the electronic version of ITU-T Q.954 (03/93) was split into two, with ITU-T Q.954.1 (03/93) remaining "in-force" and ITU-T Q.954.2 (03/93) labelled as "obsolete".
