Multi-Cloud Security Public Working Group
Meeting Agenda
November 7, 2022, 3:00 to 4:00 PM EST

</div>

Items to discuss:

1. Welcome everyone.
2. Introduce 2 new team members for the ZTA focus group (they can introduce themselves).
    a. Zack Butcher, from Tetrate, and Mouli Ramaswamy from NIST.
3. Ask for any updates from the ZTA focus group meeting on 11/1.
4. Ask for any updates from the ATO focus group meeting on 11/3.
    a. Team members signing up in pairs for research focus sections.
    b. Team members adding rows for research areas we may have missed for our proposed scope.
5. Verify meeting schedule for the ATO focus group.
    a. Next meeting starts a new bi-weekly cadence on 14 Nov at 3pm CST/4 PM EST.
6. Review project timelines (ConOps) and the scope of the working groups.
7. Review ConOps section 5.1 General Guidance.
8. Review the use case ATO template.
    a. For the ZTA focus group they can use the same template but need to update the Guided Analysis section.
9. Open floor for discussion.
10. Action items.
11. Next meeting 11/21 at 3 PM EST.
