Preliminary Program Agenda as of July 11, 2016
Software and Supply Chain Assurance Summer Forum 2016
13-15 July, 2016, MITRE-1, 7525 Colshire Drive, McLean, VA 22102

	Wednesday July 13, 2016	Thursday July 14, 2016	Friday July 15, 2016
9:00 AM	**Welcome** **SAFECode** • Edward Bonver, SAFECode **Code Quality and DevOps** • Barry Snyder, Fannie Mae	**Reducing Software Vulnerabilities** **Dramatically Reducing Software Vulnerabilities (RSV): a Critical Part of the Cyber Security R&D Strategic Plan** • Tim Polk, OSTP **Overview of current Plan for RSV** • Barbara Guttman, NIST **RSV element 1: Resilience & System Level Security** • Lee Badger, NIST	**Cybersecurity and Supply Chain Risk Management Evolutions In Government** **TBD** • TBD **CNSSD 505 SUPPLY CHAIN RISK MANAGEMENT (SCRM) Update** • Don Davidson, DoD • Jon Boyens, NIST
	Break	*Break*	*Break*
11:00 AM	**SCRM Case Studies (NIST)** **Exostar/Boeing SCRM Case Study** • Tim Zullo, Exostar • Robert Shaw, Boeing **Industry Best Practices for Cyber SCRM** • Jon Boyens, NIST • Celia Paulsen, NIST	**Reducing Software Vulnerabilities (continued)** **RSV element 2: Testing Framework and Additive Software Analysis** • Paul E. Black, NIST **RSV element 3: Formal Methods** • Richard Doyle, NASA **RSV element 4: Program Diversity and Moving Target Defenses** • Konrad Vesey, MIT Lincoln Labs	**Industry Perspectives on Active and Expected Regulatory Actions** • Moderator – Bob Metzger, Rogers, Joseph, & O'Donnell • Trey Hodgkins, Information Technology Alliance for Public Sector (ITAPS) • Alan Chvotkin, Professional Services Council • Roger Waldron, Coalition for Government Procurement
	Lunch	*Lunch*	*Lunch*
1:30 PM	**Cyber Incident Data and Analysis Working Group (CIDAWG)** • Beatrix Boyens, DHS Contract Support **Trustworthy Software Foundation (TSFdn)** • Ian Bryant, TSFdn	**Common Quality Enumeration (CQE) Update and Preview (15 min)** • John Marien, MITRE **NICE Workforce Framework** • Bill Newhouse, NIST **Apprenticeship in Non-Traditional Careers (Cybersecurity Occupations)** • Thomas Ritchie, U.S. Dept of Labor	
	Break	*Break*	
3:30 PM	**Cybersecurity for Advanced Manufacturing (CFAM) Joint Working Group** • Kaye Ortiz, Defined Business Solutions **NIST Manufacturing MEP Cyber** • Celia Paulsen, NIST	**Secure Software Development Apprenticeship** • Dr. Nancy Mead, SEI • Girish Seshagiri, ISHPI **Cyber DeVIL: Hacking 101 and Secure Coding Training** • Carol Lee, Naval Surface Warfare Center
